

**Drill Name:** Passing Circle

**Set up :**

Arrange all players in circle, facing each other

**Instructions:**

Player must pass the ball across the circle to another player. At first, the player receiving the pass must call out his/her name as they receive the ball. Progress to the passing player calling the name of the player he/she is passing the ball to.

**Coaching Points:**

Encourage heads up passing (look to where you are passing) and proper passing technique (inside of foot). Encourage using both feet.
