

Corner Score

Emphasis: Dribbling

Set-up:

40 x 40 yard grid. Cones are placed to create a mini goal in each corner. Two sets of colored bibs. Players are divided up into 2 teams - 6v6 up to 9v9.

Objective:

A player can score a goal by dribbling through any of the mini goals located in the corners. Play resumes after a goal with a change of possession. Play for a designated time or for a predetermined number of goals.

Progressions:

Teams are designated only 2 goals to score in.

Coaching Points:

- Push ball out in front while moving at speed.
- Encourage passing to set up 1v1 situations or goal scoring opportunities
- Use feints, deception to elude defenders.
- Encourage passing until a 1v1 situation arises.
